Prophecy Tours

Prophecy Tours

Prophecy Tours are deeply involved in the Holy Land Community supporting Christian Churches, Schools and social Christian Institutions. We started our mission in 2017 from the power for the youth and family ages as a group to achieve our goals.

We particularly have interest in Private Christian Schools. These schools offer their students a comprehensive and emphases a spiritual and mental atmosphere that is respected by all. They Attempt to meet the needs of all those who are deprived economically. Thus, the school interest in education leads to and become an act of love towards humanity.

The deteriorated political and economic situation in the Holy Land makes most of the Christian Families not able to afford the school tuitions of their children at private Christian schools. This Makes them look towards public schools were no tuitions are needed, but on the long run religious values and standards are lost.
We made it our main objectives and goals to support all those students whose families are unable to provide for their children's needs at Christian private schools.

Only we can do that through marketing our Pilgrimage travel tours in any way that could be Possible. The pilgrimage tours are the major income for the Christians in the holy land scenically the city of Bethlehem, the tours could help in multiple directions starting from visiting schools, Christian foundation, and families.
Prophecy Tours is highly recommended by the Catholic, Aramean and orthodox churches in the city of Bethlehem, and they offered us a trust letter which their institution and schools holding the Christian students.
